With the GpN conversion kit, the intention is that customers can buy the complete kit from M-Sport or purchase parts individually.

In the event of choosing the complete kit, this will be sold at a subsidised price of £9,600 +VAT* as applicable.

Drivers will then be able to choose additional options from the parts list above according to personal preference.

Further updates on the Options List are available at www.fiestasportingtrophy.com.

*Only cars built using the COMPLETE conversion kit of parts will be eligible for any of the National one-make series, subject to minor variations in the local Technical Regulations.
